

AMENDMENTS TO THE DRAWINGS

Please replace the one sheet of drawings filed with the application with the one sheet of replacement drawings being filed herewith.

Attachment: One replacement Sheet

REMARKS

Claims 1-4 have been amended to place them more fully in U.S. claim format.

Claim 12 has been added.

Support for the recitation of the polynucleotide sequences added to claim 1 may be found at page 7, lines 12-23, of the specification.

The one sheet of replacement drawings contains the same information as the one sheet of drawings submitted with the application. The replacement drawings are merely a better version of the drawings originally filed.

No new matter has been added. Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
